your children.*

***Transportation registration will start on
May 1st, 2024, until July 15, 2024.***

**The registration link will be sent to you on May 1st in the annual letter
from the Secretary-Treasurer.**

***Families registered before July 15, 2024, should receive the details of their
route stop and time during the week prior to the beginning of the school
year.***

*The CSF currently contracts for the operation of 175 school bus routes providing
school bus transportation service to CSF school students throughout B.C.*

*Changing student demographics requires a review of the bus routes each year, and
to make adjustments where required. School bus routes are designed to service
eligible students who have registered for the school bus before July 15th of the
current school year and school bus routes will be prepared on the basis of
registrations received before this date. Parents are reminded that they must register
their children for the school bus EACH YEAR.*

REMINDER

*Parents may also use the on-line registration form to request a secondary stop
at an alternate address to accommodate the parental custody and licensed day
care needs of an eligible rider. A secondary stop must not alter or extend the
existing route.*

Please note Secondary Stops are strictly for:

- 1. parental custody*
- 2. licensed daycares*

***The secondary stop is NOT for dance, music, art schools or any other
activities in lieu of licensed childcare.***
